John Doe. 2024. Managing IoT Devices with LwM2M. In *submissions to the IAB Next Era of Network Management Workshop*, 2 pages.

1 INTRODUCTION

The rapid evolution of network management protocols ...

Current IETF protocols used

Our solution is built upon...

This paper references key protocols such as NMDA [1], NETCONF [3], and SNMP [2] to explore advancements in network management.

2 ETAC OVERVIEW?

This section presents an overview

Participating Entities

We define three primary entities

- **one**: Typically a ...
